**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I need broadband competition! As a parent and teacher having affordable competitive connection is so important. If you take away the competition you take away my right to choose. I cant afford to pay high prices for the connection that helps me to prepare for my job and certainly cant afford to sacrifice speed or price in my classroom. We need to move forward not backward in our availability to reach the wider world.
